The National Payments Connector™ Solution

CHANGE HEALTHCARE

Help Reduce Administrative Costs Get Paid Faster with Electronic Processing

Healthcare administration is riddled with cumbersome manual procedures and excessive processing costs.

Speed up your organization's cash flow, while saving time and money. Submit medical attachment information and receive payments electronically with Change Healthcare's National Payment Connector™ solution.

Annual spending on healthcare administrative costs¹

\$350
BILLION

Portion of claims attachments that are still sent manually by mail, fax, or email²

National Payment Connector instantly connects you with 90+ payers through a secure, easy-to-use online portal that allows you to send medical attachment data and receive payer payments electronically. With some payers, you'll also be able to accept patient payments through the portal. That means you can offer a new and convenient channel that will help drive collections and improve patient satisfaction.

How much does electronic adoption save?

\$2.17
6 MINUTES

Average savings per electronic claim attachment¹

\$1.00
2 MINUTES

Average savings per electronic payment and ERA attachment¹

Choose Change Healthcare's National Payment Connector to help:

- Streamline workflows
- Drive cost savings
- Expedite claims adjudication
- Accelerate reimbursement and reconciliation
- Improve patient collections and satisfaction

10
MINUTES

The time it takes to enroll in National Payment Connector
